

## ➤ Elma Laser 1 Mini laser distance meter with bluetooth

The Elma Laser 1 is a mini laser distance meter which can calculate both area and volume. With the use of Bluetooth, Elma Laser 1 can be used as a clever tool for documentation. Take a picture, using your smart phone or tablet, and quickly drag and drop the measurements/ comments to the picture in the free Elma Link App. You can then share by mail or other forwarding apps on your device.

The Elma Laser 1 comes with batteries and manual.

### Features:

- Measures both area and volume.
- Ideal to measure room dimensions, ceiling height etc.
- IP54 rated.
- Bluetooth functionality.
- Batteries included.
